You move fast. Your funding should, too.

# Working capital or term finance?

Two ways to fund your business. Which one suits you depends on what the money is for, and how soon you can pay it back.

| How fast | Limit agreed in 10 working days. Each invoice handled the same day. | An answer in 3–4 days once we have all your documents. Money within 48 hours of approval. |
| Who can apply | Businesses with AED 7M+ yearly sales that invoice other businesses, in trading, services or manufacturing | Businesses with AED 2M+ yearly sales, trading for 2+ years, making a profit or close to it |
