You move fast. Your funding should, too.

Beehive vs bank financing

We look at how your business is doing, not what it owns. Here's how that compares with a typical bank loan for a small or medium-sized business (SME).

12 years	3,300+	AED 5.4bn+	<2%
funding businesses in the Gulf	businesses funded	lent to businesses	of funding not repaid as agreed, since 2014

	Traditional banks† Based on what you own	Beehive Based on how you're doing
SPEED		
Time to get the money	Weeks or months, often with requests for more documents	**Funded in 14 days, all online. Money within 48 hours of approval.**
How you apply	Visits to a branch and paper forms	**Online in minutes. No branch visit.**
The decision	Made by a committee. You may not know where it stands.	**Checked online. We tell you each next step.**
WHAT YOU NEED		
To qualify	Usually property or other assets you own	**How your business is doing. No property or cash deposit needed.**
Paperwork	A lot, often sent again every year	**One checklist, sent online once**
COSTS		
Fees	Different at each bank	**All costs shown up front. No hidden fees.**
Paying early	You may pay a fee to repay early	**No fee to repay term finance early**
Islamic finance	Different at each bank	**Available. Certified as Shariah-compliant by the Shariyah Review Bureau.**

Our two products
