You move fast. Your funding should, too.

Funding built around how you perform

We look at how your business performs, not the assets you own. Here's how we compare with traditional bank financing.

Fast.
Straightforward.
SME-centric.

13 years	3,300+	AED 5.4bn+	<2%
operating in the GCC	SMEs funded	provided to SMEs	non-performing financing since inception

No collateral needed

We assess how your business performs, not the property or assets behind it.

Apply online in minutes

No paperwork, no branch visits. Quick decisions, funded in days.

Sharia-compliant option

A Commodity Murabaha structure, approved by our Sharia Supervisory Board.

Beehive and traditional bank financing

	Traditional banks†	Beehive
Time to funding	Weeks to months, often with follow-up requests	**Funded in 14 days, fully digital. Funds transferred within 48 hours of approval.**
To qualify	Property or other assets, typically	**How your business performs. No collateral, no cash margin.**
Application	Branch visits and physical paperwork	**Online in minutes, no branch visit**
Documents	Extensive, often resubmitted at renewal	**One checklist, submitted once, digitally**
Decision	Committee-based, with limited visibility	**Digital assessment, clear next steps**
Fees	Varies. Early settlement charges may apply.	**Transparent terms, no hidden fees. No early repayment charges on term finance.**
Sharia-compliant	Varies by institution	**Available through our DFSA-regulated Islamic Window, certified by the Shariyah Review Bureau**
