You move fast. Your funding should, too.

# Beehive vs bank financing

We look at how your business performs, not the assets you own. Here's how that compares with traditional bank financing for SMEs.

| 12 years | 3,300+ | AED 5.4bn+ | <2% |
|---|---|---|---|
| operating in the GCC | SMEs funded | provided to SMEs | non-performing financing since inception |

| | Traditional banks† Asset-led | Beehive Performance-led |
|---|---|---|
| **SPEED** | | |
| Time to funding | Weeks to months, often with follow-up requests | **Funded in 14 days, fully digital. Funds within 48 hours of approval.** |
| Decision | Committee-based, with limited visibility | **Digital assessment, clear next steps** |
| Application | Branch visits and physical paperwork | **Online in minutes, no branch visit** |
| **ACCESS** | | |
| To qualify | Property or other assets, typically | **How your business performs. No collateral, no cash margin.** |
| Documents | Extensive, often resubmitted at renewal | **One checklist, submitted once, digitally** |
| **COST AND TERMS** | | |
| Fees | Varies by institution | **Transparent terms, no hidden fees** |
| Paying early | Early settlement charges may apply | **No early repayment charges on term finance** |
| Shariah-compliant | Varies by institution | **Commodity Murabaha through our DFSA-regulated Islamic Window, certified by the Shariyah Review Bureau** |

## Beehive products at a glance

| | Facility | Repayment | Used for |
|---|---|---|---|
